Introduction

VMP Chemiekontor GmbH is committed to making its website, www.vmp-chemiekontor.de, accessible in accordance with provisions of the Barrierefreiheitsstärkungsgesetz (BFSG).

This accessibility statement applies to www.vmp-chemiekontor.de.

Compliance status

The website www.vmp-chemiekontor.de is partially compatible with the Accessibility Reinforcement Act (BFSG) due to the following incompatibilities and exceptions.

Non-accessible content

- PDF documents: Some of our PDF documents are not accessible. We are working to adapt them as quickly as possible or to provide accessible alternatives.
- Images without alternative text: Some images on the website have no alternative text. This content is subject to ongoing review and update.

Barriers due to economic unreasonableness

Some barriers on our website cannot be removed in the short term for reasons of economic reasonableness. These include:

- Historical content: Content, created prior to the introduction of the current accessibility guidelines, may not fully meet current accessibility standards. Any subsequent adaptation of this content would require disproportionately high expenditure. However, new content is created according to the current standards.

Barriers Reporting, feedback and contact details

Have you encountered any barriers accessing content on www.vmp-chemiekontor.de? If so, please do not hesitate to contact us. We are eager to receive your feedback and will work to remove the reported barriers as quickly as possible within the scope of technical and economic possibilities. If you could please specify the page and function where you encountered any barriers, that would be greatly appreciated. To do so, simply copy the link from the address bar of your browser. Should you wish to report any barriers, please use the following methods:
